

To whom it may concern,

I am pleased to write this letter of recommendation on behalf of an intelligent and enterprising young woman, Hui Ju Queene Tsai, who has worked as a part-time teacher at Juvenile Champion Language Center while she completed her qualifications at Department of Foreign Language Instruction, Wenzao Ursuline College of Languages.

As the senior English teacher and course designer at the time of Miss Tsai's employment, I watched her confidence grow both her teaching and her communication skills. A rather challenging position, she was responsible for not only imparting knowledge but also engaging with parents, students and foreign teachers to build confidence and trust, a task that she carried out consistently on a daily basis.

She had a wonderful rapport with both students and parents. Her disarming style of communication and genuine warmth made her a very real ambassador for this company.

Based on my observation of her abilities, her nature and strong work ethic I strongly recommend her for any opportunity that she wishes to pursue in the future.

Sincerely,

Christopher Bauman  
Senior English Coordinator
